Pulborough Community Partnership

The Pulborough Community Partnership is a not-for-profit limited company run by local volunteers to achieve a better quality of life for residents. We organise community events like the Harvest Fair, work to support the local economy, and seek to promote and protect the village's history and heritage.

Anyone who lives or works in the Pulborough area can join. If you can lend a hand or want help in getting your community project off the ground, get in touch.

PULBOROUGH NEIGHBOURHOOD PLAN

What will Pulborough look like in 15 years?

What housing will there be and where?

Who will be able to afford to live and work here?

What green spaces or amenities will be protected?

What sort of community will we be?

Pulborough Parish Council is creating a Neighbourhood Plan to answer these questions and more.
