## NEIGHBOURHOOD PLAN

# Villagers urged to have their say

The end of the consultation period for the pre-submission Pulborough neighbourhood plan is approaching.

The parish council, together with the steering group, are keen to encourage as many people as possible to comment before the deadline on August 3.

Parish chairman Ray Quedsted, said: "The proposed plan has been prepared using results from the many community engagement activities over the

last few years, including the community action plan and more recently the household survey, to which a staggering 850 residents responded."

Parish members and the steering group will be at the Village Market in Pulborough Village Hall on Saturday (July 25) from 9am to 12pm with copies of the plan.

The plan is also available at [www.pulboroughparishcouncil.gov.uk](http://www.pulboroughparishcouncil.gov.uk)
