## Chairman's report

There promises to be a lot of changes within Policing policy during the coming months at all levels from national to Parish. Budgets and grants are being cut by the government and will culminate in reductions in the overall policing structure. The remaining available resources will be targeted at specific areas in protecting vulnerable people, particularly children, and also cyber crime.

The impact of these changes will mean that local policing will need to be addressed more at parish level. That is why we have taken steps to employ Neighbourhood wardens starting within a few months time. We have built up some reserves over the past few years to address such an eventuality so the impact on your local rates will be minimal.

The final details of the Trim Trail have now be confirmed and ratified by Full Council in February. We should have this feature up and running within a short time.

Nutbourne Common, Pocket Park and the Rivermead open space continue to receive our attention and over the coming months will, hopefully, become more attractive and accessible.

## SPRINGTIME AT BRINSBURY

Hi my name is Dan and I manage the farm at Brinsbury, the land based campus of Chichester College.

Here at Brinsbury we have a herd of 150 Dairy Shorthorn and Ayrshire cattle, 300 Llyen ewes and two pigs. The period between New Year and 1st March is always one of preparation for us. On 6th January all of our ewes were pregnancy scanned with very good results; 48 ewes are expecting single lambs, 196 expecting twins and 32 expecting triplets.

Lambing is planned to start on 29th February but invariably some will arrive early! In order to make lambing as successful as possible the students spend the next few weeks going through a comprehensive checklist to ensure our ewes are in prime condition to give birth. Having been scanned, the ewes are then divided into groups depending on how many lambs they are expecting. Next we match the feed to the grouped ewes (more energy for the triplets!). Finally, we give all our ewes a booster of their annual vaccines, trim their bottoms and then keep a very close eye on them!

It is always a delight when March finally arrives and the lambs begin to come. Students go onto a rota and do two days and nights of lambing duties, starting at 5.30am and finishing at 10pm. No matter how bleary-eyed and weary the students and staff become, the excitement of hundreds of baby lambs always gets us through!

During March we look forward to sharing this experience with lots of visitors, welcoming school groups during the daytime and Cubs, Scouts, Brownies and Youth Groups in the evenings. Furthermore on Saturday 12th and Sunday 13th March we will be running an Open Weekend where you can all come and see the lambs for yourselves. (see right)

The Neighbourhood Plan has completed its latest consultation period and remains with the District Council until such times as the comments that they receive are discussed with us before proceeding to the next stage.

Our local community groups continue to provide invaluable services to our residents and you'll read later a report from the Community Minibus organiser. If you can assist them as a volunteer please do get in touch with Gerald or Brian so that our residents can continue to enjoy this vital service.

## PRESCRIPTIONS

Remember, residents who attend the Wednesday Group can arrange to have their prescriptions delivered to the afternoon session.

## Nat West Mobile Service

Are you a Nat West customer? Nat West Bank have started a weekly mobile service to Pulborough. The van will be located in the Lower Street car park between 11.45am and 12.45pm every Tuesday. They can carry out everyday banking such as paying in cash and cheques, paying bills and withdrawing cash using a cheque. There is no cash machine facility. When paying in monies it is helpful to use a paying in slip; whilst they can process the deposit using a bank card, this will take much longer. For further details see the Nat West website at <http://personal.natwest.com/personal/ways-to-bank-with-us/mobile-branch.html>

## LOCAL SCHOOLS

### Pulborough Village Pre-School

One of our topics this term has been 'Our Senses'. The children have been learning 'How to be a good Listener', enjoyed making their own musical instruments and binoculars, investigated different textures, tastes and smells and enjoyed a 'Senses' Walk around the village.

We celebrated Chinese New Year, with the children making masks and eating noodles using chopsticks at snacktime. For more information about the Pre-School please visit our website

[www.pulboroughvillagepreschool.weebly.com](http://www.pulboroughvillagepreschool.weebly.com)

## Love West Sussex

The Love West Sussex site and app allow you to inform West Sussex County Council of any highways issues such as potholes, overgrown vegetation, damaged kerbs, footpaths and verges in the county. Use the Love West Sussex site/app to check on the progress of your report and any work being undertaken.

### How do I sign up?

Visiting [lws.lovecleanstreets.com/account/](http://lws.lovecleanstreets.com/account/) create and create an account. You may log an incident anonymously, however we will be unable to come back to you if there is any additional information required to action your report.

### How do I submit a report?

- Use this website. Sign-in using your preferred method (account or anonymous) and add the details of what you would like to report.
- Show the location on the map (or type it in if you know the name of the road or a postcode of the relevant area), add a photo (if you have any) and give us a description of the issue. These details can then be uploaded for us to review and action.

- Using your Smartphone. Download our free smartphone application from an app store. Simply search for Love West Sussex, install and follow the on-screen directions for submitting your report.

## Lower Street Improvements

For some time the Parish Council has been working with WSCC Highways to come up with a design to improve the layout in Lower Street.

These discussions resulted in a plan being drawn up by WSCC in September 2014 with proposals including the removal of a layby for carriageway realignment to allow for the widening of the footpath and a buff coloured road surfacing to act as a "gateway" to the shops,

The Parish Council is now looking for feedback on these ideas to ascertain if there is public support for the proposals.

The plan is available by visiting [www.pulboroughparishcouncil.gov.uk](http://www.pulboroughparishcouncil.gov.uk) and comments should be submitted to the Parish office by 30th April 2016.

## LOCAL EVENTS

### A Celebration of Fairtrade in West Sussex – 11th March

I'm sure you are aware that Pulborough is a Fairtrade Village and has been since 2007 but did you know that over 50% of the residents of West Sussex live in a Fairtrade Town or Village?

On Friday 11th March from 7.30pm at the Capitol Theatre in Horsham you are warmly invited to come and celebrate this fact. In the company of Jeremy Quinn MP and other invited guests, enjoy a glass of Fairtrade wine and nibbles before listening to guest speakers Michael Jary, Chair of Trustees for the Fairtrade Foundation and Bob Lanzer, West Sussex County Council's Cabinet Member for Corporate Relations who will outline what the council is doing to promote Fairtrade objectives in West Sussex.

An exhibition in the Capitol's Gallery will highlight the history of the Fairtrade movement across the county. Since 2009 members of Pulborough's Fairtrade Steering Group have been meeting regularly with others from West Sussex Fairtrade Towns in Adur, Arundel, Burgess Hill, Chichester, East Grinstead, Horsham and Worthing. We share ideas for bringing Fairtrade issues to the notice of our communities and are now preparing an application to the Fairtrade Foundation for Fairtrade County status for West Sussex! Following West Sussex County Council's recent resolution to support Fairtrade we are very hopeful of a successful outcome.

For more information on Fairtrade issues go to [www.fairtrade.org.uk](http://www.fairtrade.org.uk) or pick up one of Pulborough's Fairtrade Directories available in the Library and several shops in Lower Street.

**Liz Sollom/Rosemary Russell, Pulborough Fairtrade Group**

**Who let the dads out?** is a gateway activity to engage with Fathers and Male Carers and to explore parenting issues. As a follow on, and for the slightly older children, we also run Time out 4 dads. Our aim is to help strengthen families for Dads to engage better with their partners in the role as parents, help invigorate communities, and develop a stronger network of friends. It helps to pass values and believed standards from one generation to the next, to explore and challenge their own values and beliefs.

**Venue:** Pulborough Village Centre

**When:** Second Saturday each month for bacon butties 9.30-11.30am with toys, games and craft work.

**Who let the dads out?** Is a church ministry affiliated to Pulborough Brooks Baptist Church as part of their family ministry. For more information contact Richard Hatt, [timeout4dads@gmail.com](mailto:timeout4dads@gmail.com)

### Italian Supercars in Pulborough

**Ferrari 365 GTC; Ferrari 458 Italia; Maserati Spyder Cambiocorsa; just three of the Italian supercars that will visit Pulborough on Sunday 13 March.** As part of Horsham's Piazza Italia X over Easter weekend, a fortnight before there will be a tour of some 20 Italian cars and bikes around Horsham district. We hope at least ten will be supercars.

[www.horshampiazzaitalia.co.uk/piazza-italia-district-tour](http://www.horshampiazzaitalia.co.uk/piazza-italia-district-tour) for up to date details.

Don't be late! They will arrive at the car park off Lower Street at about 11.30 am and stay for about 30-40 minutes. The car park will be closed for the morning and vehicle access to Brooks Way and Swan View will be restricted.

Organised by Pulborough Community Partnership and Horsham District Council, we hope to have other vehicles present from local businesses to add to the attraction.

Domino's Pizza, The Oddfellows pub, Hennings Wine, The Flower Shop and the General Stores will be open for business. Other local businesses will have stands at the show.

Car parking will be very difficult in that area for that Sunday morning so please leave your car somewhere else and WALK to Lower Street

The car park will be cleared and back in normal use by 1pm.

## Dementia Care & Support Service

Many people are happier if they can remain independent and in their own homes as long as possible. But for a person with dementia, this can become increasingly difficult as the condition progresses.

Alzheimer's Society has combined services in West Sussex and Brighton and Hove to run their Dementia Care and Support Service across the area. The service provides personalised one-to-one support for people with dementia in their own homes to help with everyday tasks, from preparing meals to helping with washing and dressing.

Elisa Vaughan, Alzheimer's Society Operations Manager for Sussex, said: "We want people with dementia to remain independent for as long as possible in the area. That's why we want residents to take advantage of our Dementia Care and Support Service in the area. Carers benefit from the service too – they get time for themselves and can be confident that they're receiving the best support and compassionate care needed from our trained dementia specialists."

**For more information on the service, call our Sussex Dementia Helpline on 01403 213017.**

## Pulborough Community Minibus

I have just reached the end of my first year as village organiser of the minibus, which has been providing a much valued service to our local community for many years. I particularly want to thank the gallant band of drivers and escorts who make this service possible; their efforts are highly valued by all our passengers. They all do a wonderful job in getting people to the shops not only locally in the village but also to Horsham, Chichester and occasionally Worthing and Shoreham. We also run buses for social outings for local organisations as well as providing an occasional service to the Weald School for pupils of St Mary's School. Some of our drivers and escorts are wishing to take a well-deserved retirement. If you would like to join our dedicated group we would welcome you with open arms! Potential drivers need to take a short assessment of their abilities for driving a minibus. Once this is done the overall time commitment can be as little as one morning or afternoon a month.

If you wish to know more of what you can do to help please contact me, Gerald Batt on 01798 872388 or Brian Ball on 01798 873008. We are also always wanting to welcome new passengers so if you, or anyone you know locally, feels we can help please let us know.
