*for Pulborough's future*

# TWO PARISH COUNCILLOR VACANCIES

Pulborough Parish Council's primary objective is to work in the interest of the residents of the parish and protect the identity and character of the parish for the enjoyment of parishioners, visitors and future generations. The Parish of Pulborough, along with its charming neighbour Nutbourne, is served by a Council that comprises 15 dedicated councillors, each elected to serve a four-year term. As the custodians of community well-being, we bear statutory responsibilities that encompass a wide range of services.

Our commitment includes the provision and support of recreational amenities and community infrastructure. From lush green spaces to vital facilities, we take pride in nurturing the essence of our vibrant community. In our care, you'll find well-maintained allotments, essential dog and litter bins and thoughtfully designed bus stops.

Moreover, our Council has stewardship over various public areas, diligently overseeing their maintenance for the benefit of all residents. These endeavours are carried out with the utmost dedication to preserving the identity and charm of Pulborough, a duty we undertake in close collaboration with a host of organisations such as West Sussex County Council and Horsham District Council.

The Parish Council is made up of a team of 15 committed volunteers who work in partnership with local organisations and County and District Councils to preserve the essence of the area. We are seeking applications for two more community-minded residents who could join the Parish Council.

- Could you contribute your business or personal skills and expertise?
- Do you want to represent the views of local people?
- If you would like to make a difference and help shape the future of Pulborough Parish, then why not consider joining the Council?

**If you would like to apply for the vacancies, please contact the Parish Clerk at the address above for an application form and eligibility criteria.**

Please ensure that your completed application form reaches the Council no later than 5pm on Wednesday 21<sup>st</sup> May 2025.
