

Do you want a say in how Pulborough develops over the next 15 years?

**Look out for the neighbourhood
plan survey dropping through
your door in August... just
fill in and return...**

Pulborough is developing a Neighbourhood Plan which will allow us, the residents, to have a say about where any housing or other development goes in Pulborough over the next 15 years.

Further development will happen and this is our chance to shape it so that it provides as much benefit as possible.

As part of this process we need to know your opinions and priorities. There's a survey coming through every door in mid-August. Watch for it, fill it in and return it. Encourage your family, friends and neighbours to do the same. The responses received will be crucial in establishing the basic principles of Pulborough's Neighbourhood Plan.

The first results will be available at the Harvest Fair on 27th September

Let us know how to shape
Pulborough as it grows
