## Chairman's report

I am writing this Report on the day following our October Full Council Meeting. It was very constructive and means that everything discussed and projects going forward are fresh within my memory.

Firstly we have taken the opportunity to appoint a Councillor; Jeannie Esdaile; to be our representative within the "Friends of Pulborough Railway Station Group".

This is a body promoted by Sussex Community Rail Partnership to liaise with Network Rail to maintain and enhance our existing iconic station.

We have also appointed MacConvilles as the Council's preferred company to oversee the design and construction of the new Sports Pavilion. A Working Party within the Council has been appointed to progress the matter further with a specific brief initially of approving the final design and ensuring that funding is in place. Very soon, therefore, we hope to be in a position to arrange a consultation period within the community for all to see the proposals.

A decision was reached to approach our District Council with concerns over the existing parking arrangements both within the car park and on the surrounding streets. We have garnered a lot of evidence to support both a free parking period within the car park and for signage on the streets to be amended to give enforcement officers better powers to apprehend offending motorists.

There was an overwhelming approval for the retention of Neighbourhood Wardens from April 2018. The District Council are also taking a greater interest in the process which in time could mean that we will receive some funding from that source to support the costs.

We have appointed 2 new Councillors recently.

Sam Hancock, who will serve also on both Planning & Services and Finance & Policy Committees.

Anthony Bignell who will also serve on Recreation & Open Spaces Committee.

I would like to take this opportunity to welcome them both on board.

Finally, I would like to take this opportunity to thank all our volunteer groups within the Parish who do an excellent

job, particularly in looking after vulnerable members of our community. With the harsher weather conditions approaching, we are so lucky to have their services.

Wishing you all a very early compliments of the season.

# **St Mary's CofE (Aided) Primary School**

Happy New School year at St Mary's! The children have come back to school after the holidays and been greeted with a chill in the air but amazing classrooms all ready for learning. The teachers have been working hard to establish relationships and really get to know their new classes. We are delighted to welcome new children right across the school as well as our two Reception classes. Our children in UK and Austria class have started well and are already getting used to the routine of coming to 'big' school.

Even though there is a chill in the air our Forest School is up and running with a focus on animals for Key Stage One children. New learning has begun in all the other classes with topics such as London's Calling, Earth, Space and Beyond, Raiders

or Traders, Stone Age, The Great Fire of London and Animals. The Year 5 children have had a Planetarium come to visit to launch their topic and children in Year 3 have been immersing themselves in Stone Age life at Forest Schools. The Year 6 children have a trip planned to Newhaven Fort!

Also on offer are many music enrichment opportunities. Children from Year 2 upwards have the chance to learn piano, cello, brass and woodwind to name but a few.

We are also running a really wide range of lunchtime and after-school clubs to help support the interests of the children. These include a film club, music club, choir, science club and lots of sporting opportunities.

Our Early Bird club that opened this time last year is now well established and enables parents to drop children at school any time from 8.00am onwards. This year we are also able to offer an after school care club to ensure wrap around care. This has proved to be a great success and is popular with both children and their parents. Details of the after-school club, "Jiminy's" can be found on the school website.

The term is packed full of other exciting opportunities for the children. We are looking forward to the Harvest Eucharist as the children always create a superb display of goods which are donated to those less fortunate. This year we are supporting Family Support Work. In addition to that we are looking forward to welcoming Fr. Paul to the school over the next few weeks to join us in assemblies and get to know the staff and children. Our thanks go to Fr. Jack and Tony Holloway for their support over the last few months.

In addition to this we are keen to share our school and so we are holding Open Afternoons for anyone who would like to come and visit on Thursday 2nd November and Friday 3rd November 1.30pm-3pm. Do come along to see all the amazing things St Mary's school has to offer. There will be a chance to talk to staff and if you are bringing any young children with you they will be able to join in some of the activities. Alternatively do phone the School Office to book an appointment.

## LOCAL GROUPS

### West Sussex achieves Fairtrade County status

West Sussex has been awarded Fairtrade county status for its commitment to Fairtrade principles, following a two year long campaign by Fairtrade West Sussex which involved a contribution by Pulborough Fairtrade Group.

Pulborough has been a Fairtrade Town since 2007 and has the support of Pulborough Parish Council. Our Group seeks to promote Fairtrade throughout the community so that people and organisations can use their everyday choices to buy Fairtrade products to bring about change for farmers and producers in developing countries. Local supporting global.

West Sussex is now officially a Fairtrade County, after West Sussex County Council made a resolution in June 2015 to actively promote Fairtrade to consumers, businesses and community groups in the area.

Fairtrade West Sussex also includes Fairtrade Adur, Fairtrade Arundel, Fairtrade Burgess Hill, Fairtrade Chichester, Fairtrade East Grinstead, Fairtrade Horsham, and Fairtrade Worthing. As part of the campaign, retailers have pledged to sell more than four Fairtrade products and eateries have served Fairtrade tea and coffee. In addition, Fairtrade West Sussex lobbied businesses to promote the Fairtrade message in their working practices and also secured support from faith groups, schools and voluntary groups.

Sue Joy, Convenor of Fairtrade West Sussex said "The Group is delighted that the Fairtrade Foundation has agreed to Fairtrade County designation. The Group looks forward to working in close partnership with West Sussex County Council in the future to ensure that Fairtrade is known throughout the County at every level."

"Thanks to the support of the public and campaigners, an increasing number of farmers in developing countries are now selling their products on Fairtrade terms, bringing them a stable income, and the chance to trade their way out of poverty. Today, more than 1.6 million farmers and workers across 74 developing countries benefit from the international Fairtrade system, but there is still a long way to go."

## Pulborough Minibus

**Pulborough Minibus Association is hoping to attract more passengers, particularly for its Monday service to Horsham or Chichester.**

The bus runs from 12 noon and picks up passengers from their home and takes to Horsham on 1st and 3rd Mondays in the month and Chichester on 2nd and 4th Mondays, returning home by about 4.30, which gives ample time for shopping and refreshment.

Association membership costs just £5 a year and the current cost of a Monday journey is £4. If you are currently a member please consider using this service as often as you can, as we need to fill the bus in order to maintain the viability of the service which is much enjoyed by those who do use it.

We are always wishing to recruit new drivers and, particularly, escorts. It is a great asset for the village and surrounding area and is a vital support for those without transport of their own and we wish to maintain it well into the future.

**If you wish to join or are able to volunteer as a driver or escort, please contact Gerald Batt on 01798 872388.**

## A note from the publisher

Our 2018 publications start again at the end of January – do you have an event that you would like to promote? Please email: [bulletin@eyeleveldesign.co.uk](mailto:bulletin@eyeleveldesign.co.uk) and we will try to include in the next issue.

This publication is an invaluable resource for everything that happens in and around Pulborough. Production of the Bulletin relies solely on advertising revenue and is at no cost to the Parish or its parishioners. Please take the time to look at the local businesses here and see if you can make use of their services.

Are you a local business looking to reach a targeted local audience? We have a range of size adverts for all budgets and there is the opportunity to tie your advertising in with our sister publications in West Chiltington and Thakeham. Call us on **01798 865480** or email: [bulletin@eyeleveldesign.co.uk](mailto:bulletin@eyeleveldesign.co.uk) for information.

Do you know someone who isn't receiving this Community Bulletin? We are unique to other free publications in that we endeavour to get a copy to every single household in the Parish either by door drop delivery or post. If we've missed anyone please email: [bulletin@eyeleveldesign.co.uk](mailto:bulletin@eyeleveldesign.co.uk) with the full address of the property that is missing.
