Warden Monthly Report

October 2026 – Pulborough Parish

This month we walked around 46 miles on foot patrol ☺

Vulnerable People

We supported an older resident to move to another care company as they were unhappy with the current one. We also completed a safe and well referral for them to remain independent in their home. This is a service offered by WSFRS to help residents stay safe with smoke alarms and escape routes in the event of an emergency.

Supported a mother whose young child had run up a main road, we managed to stop the child and reunite mother and child. Provided emotional support to Mother.

Met with a very vulnerable older person who needed lots of support in so many different ways. We liaised with adult social care and the resident's housing provider tenancy support team, who is on board to offer help and support.

Supported resident whose wife is living with dementia and sometimes walks off from the property. Signposted to community Link for a detection device to try and keep her safe.

Supported resident who believed themselves to be a victim of fraud via social media.

Supported resident with a query about how she pays her tax bill.

Supported resident with completing a passport application.

Supported resident with ongoing financial difficulties and signposted them to Citizen's advice regarding council tax outstanding debt.

Clubs and groups

We gave a scam talk and offered further advice to the Monday pop in club at the library and chatted with attendees. We also spoke about light timers to make your property looked occupied if you are out, now that the evenings are darker.

Projects

We did some research into a potential graffiti wall following various reports of graffiti in the parish. This is early days and no decision has been made yet.

We hosted our Halloween quiz on Friday 30th October 6-8pm. It was a good turnout and everyone enjoyed the quiz…and sweets!

ASB

Reported van to op crackdown for parking on white zig zags outside Londis.

Reported a young person to Sussex police (with digital evidence) for riding an escooter on the highway. Captured on video right in front of me!

We gave advice to a resident who reported young people cycling in their street. This is private land so advised them to contact their management company. We have also spoken with the parents of the young people as they have been causing a nuisance in the area too. Police notified as well.

We have further reported a male known to us for riding his Escooter to Operation Scramble.

We continue to submit information to the Police regarding a male consistently riding his Escooter. This will be looked at under Operation Scramble which is the Police response to illegal Escooter riding and illegal Ebikes. Some Ebikes have been modified to put a throttle on them so no need to pedal. These modifications are illegal and also extremely dangerous.

Liaised with Sussex Police regarding confiscation of a residents illegal Ebike – which had been modified.

We met with young person to explain the dangers of 'customising' their Ebike and aimed to deter them from purchasing one, explained that it will be confiscated by the Police once reported. We heard concerns from a resident regarding a parking complaint. The area is unrestricted parking so nothing for us to deal with.

We patrolled the village during the evening of Hallowe'en to make sure everyone trick or treating was safe and having fun.

Fly-Tipping/Littering/Graffiti/Hazards

We reported numerous bits of obscene and racist graffiti on the play park equipment on the main rec, to our cleansing team and to the Police.

Reported a fly tipped swivel chair for removal on the Wiggonholt straight.

Reported fly tipping near to allotments by Duncan's pond for removal.

Fly tipping on Coombelands was reported to us and address labels still intact! Passed to our environmental enforcement team for follow up. The offender admitted to the offence and was fined by Horsham District Council £400 !!!

Despite emailing the estate agent, we removed a For Sale board that had been attached to a road name sign. These signs belong to Horsham District Council and as such we do not give permission for anything to be attached to them as it weakens them.

Reported a fallen tree to PROW that had landed on a footpath by Cousins Way and also taken out a phone line.

Reported rusty old bin on rec to parish council for replacement.

Reported trees obscuring the lighting on the cinder path by the railway station.

Reported 2 x broken lights on the cinder path.

Removed 9 empty vodka bottles from pavement on The Moat.

Worked with resident regarding a potentially insecure property on Lower St. Police aware too.

Removed fly posting from a road traffic sign at Swan Corner.

Reported a tree down on Broomers Hill Lane courtesy of storm Boelo.

Reported graffiti for removal to Royal Mail on the post box at Codmore Hill.

We are making enquiries as to the ownership and ongoing maintenance of the 2 benches on the ramp at the south of the east Glebe Field off Lower St as they are in a poor state of repair.

Reported a pot hole by the White Horse Pub, to the brewery.

Reported a huge pothole on Broomers Hill Lane.

Other

We held a meeting with a District Cllr to discuss an ongoing ASB case and how we can resolve it. This has progressed to a case review to see if anything more can be done.

Found some items on the rec belonging to a Weald student – handed them into the Weald…for their return to the pupil.

Met with Corina, the new owner of The Flower Shop. Explained how the Wardens support the community, welcomed her and her family to Pulborough and discussed all things Pulborough. Had a chat with her about member of public they caught skip diving by their shop!

As part of the Pulborough District Community Care Association Community Transport 50th anniversary celebrations, Catherine, the Princess of Wales visited Pulborough. Lottie was able to meet with her and discuss the role of the Wardens and how we support the vulnerable residents in the community.

Useful links for reporting litter, fly-tipping, or graffiti:

You can report litter issues to HDC at the following link:

NEIGHBOURHOOD WARDENS

THE WORK WE DO IN YOUR COMMUNITY

Based within the community, your Neighbourhood Wardens work alongside partner agencies to improve the quality of life for everyone and promote community cohesion and resilience. The Wardens undertake a number of activities, ranging from enforcement to community development.

Neighbourhood Wardens can help the community in the following ways:

- Meet the needs of the community and improve the quality of life for the residents, through engagement, promotion and support.
- Develop projects that benefit the local residents, to tackle community safety issues and promote inclusivity.
- Promote community cohesion, resilience and solidarity to encourage and empower communities to resolve issues.
- Support vulnerable members of the community with activities, advice, welfare checks and signposting.
- Engage with residents daily to get to know their local community and become a trusted friend to offer advice and guidance.
- Offer education and advice when required, before taking enforcement action.
- Contribute to the delivery of the Community Safety Partnership plan by working with other agencies.
- Provide a highly visible and reassuring uniformed patrolling presence.
- Provide an effective eyes and ears service aimed at reducing the fear of crime and improving quality of life.
- Work alongside the Police and submit reports regarding drug use, criminal damage and anti-social behaviour.
