## YOUR PARISH COUNCIL

### Chairman's report

The main theme of my Report for this quarter concerns the Neighbourhood Wardens.

The 2 year trial period of their employment finishes at the end of March 2018 and consideration will soon have to be given by the Council to extending the present contract or discontinuing their employment.

All the indications are that their continued presence in and around the village will be extremely beneficial for all concerned particularly in controlling unruly and anti-social behaviour; indiscriminate parking and in providing help with the elderly and vulnerable members of our Parish.

**It is the Council's intention therefore to continue to fund the Neighbourhood Wardens.**

The Council has essentially funded the costs to date from its cash reserves that have built up over the years.

The Council will continue to fund from reserves where it can but has to be prudent in ensuring that it still retains sufficient funds within those reserves to cope with extreme situations should they arise.

Some proportion of any future costs have to be met by increasing the precept and by definition the local rates.

**Therefore in respect of the Neighbourhood Wardens, there is likely to be an increase of approximately £4.76 per year for a Band D property in 2018/2019 and a further increase of £6.94 per year in 2019/2020.**

The Council is nevertheless mindful that there may be concerns that the Neighbourhood Warden Scheme is an unnecessary burden upon local ratepayers. Should anyone feel strongly against continuing the scheme or have any other comments that they wish to make, then please do not hesitate to contact the Parish Clerk by the 30th September at the latest.

#### Other items of news

The Council has short-listed its preferred Contract Managing companies to build the new pavilion; Fred Bushby, our Groundsman, is now full-time, albeit currently within a trial period; Our Deputy Clerk, Lisa Underwood, has recently attained the CiLCA qualification (Certificate in Local Council Administration); congratulations to her.

As part of its Neighbourhood Plan process, the Steering Group continues to meet with representative bodies locally and land owners to ensure that the evidence base is sound when the Plan goes forward for examination.

The Council does not meet again until September due to the holiday period so I would like to take this opportunity to wish all those parishioners who are holidaying in August the very best of the weather!

## Neighbourhood Wardens report

Well it's so lovely to have the nicer weather which means we can get out and about more and meet more people within the parishes including our younger residents. We did a couple of awareness sessions recently at the primary school around safety in the summer holidays which was very well received by year 5!

We have recently secured funding for some new banners to promote the Tea Spot Caring and Craft Cafes that run in the United Reformed Church in the village. We're also looking to continue with another clear up of Pocket Park soon – keep an eye on our website for more info. During August we'll be looking to do some free sports activities on the recreation ground – everyone welcome! Oh and if you know of anyone who has lost any keys or jewellery then please contact us as we have quite a collection of found property now!

# St Mary's CofE (Aided) Primary School

What a term this has been and as it comes to a close there are so many fantastic opportunities for the children to report on. There have been a variety of trips out for enrichment days and these have included Marwell Zoo where the children saw a range of animals and explored the grounds. Year one children went to Aldingbourne Country Centre where they explored habitats, made their own nests, fed and handled the animals and the Year 5 children had their own adventure on a submarine at Submarine Museum – a fascinating day out and one that we will certainly repeat.

The Year 5 and 6 children were also fortunate to have a visit from authors Mark Huckerby and Nick Ostler who are an Emmy-winning and BAFTA-nominated writing partnership. They have scripted hundreds of episodes of popular TV shows such as Danger Mouse, Thunderbirds are Go and Shaun the Sheep. They have written 'Defenders of the Realm' and we were really keen for them to come and share it with us! This presentation really inspired many of the children with their writing and reading. Our own award winning production is well

underway and the children have loved this performance of Aladdin. They are a real credit with their acting skills! In addition to this it was great to see the Country Dancers in Horsham Park, all dancing together and our very strong cricket team representing St Mary's School at many different events across the locality. Another highlight of the summer term at St Mary's has been the continued use of our very own swimming pool. We would like to say a very special thank you to everyone who has supported our fundraising events which allowed us to replace the boilers so that the children were not swimming in icy waters! The St Mary's PTA, the Anchorage Care Home and West Sussex Police have all been extremely generous. Our Year 6 children have finished their primary careers with their annual production in the Big Top. This production of Aladdin Trouble was well received with over 800 people attending over three days. This was in true pantomime style with cheers, laughter and innuendoes. The Year 6, led by Bishop Martin attended a Leavers' service at Chichester Cathedral.

Parents were invited to attend and it was great to see so many schools from the Diocese attending. They then attended their Hawaiian Summer Ball and this was a chance to really let their hair down! An array of cars adorned our playground as well as a horse and trap and husky dogs with sled. We would like to wish our Year 6 children all the best in their new adventures as they head off to their new secondary schools.

In September we are looking forward to welcoming our new Foundation Stage children. They have already begun their transition from pre-school to St Mary's and in order to help them settle in quickly we have hosted a range of special events for them. If you are new to the area, or you are still undecided as to which school would be best for your child, please do not hesitate to arrange a visit. September will upon us before we know it and we are pleased to say that we are opening an extra classroom. As a result our class sizes will be small and each child will be able to receive more individual attention. Our website [www.st-marys-pulborough.wsussex.sch.uk](http://www.st-marys-pulborough.wsussex.sch.uk) and Ofsted Inspection reports really do only tell part of the story and it is not too late to secure a place for next year. Please contact us at the School Office on 01798 872007 to arrange a visit.

## Pulborough Village Pre-School

**We have had a very busy summer term, with lots going on to help support our Friday Group children with their transition to Primary School.**

We did 'pond dipping' at the school and joined in with the Reception class activities. The children also enjoyed watching the school Production.

As part of our 'Natural World' topic all the children and lots of parents joined us for a visit to Pulborough Brooks Nature Reserve, where we did lots of fun activities, including looking for mini beasts. We also had a visit from two very friendly tortoises, who enjoyed eating the lettuces we had grown in the garden.

We still have our Leavers Party to look forward to, with hopefully lots of water play outside and party games.

The staff are always sad to say goodbye to the children and families that we have got to know so well. We hope all the children enjoy 'big school'.

Autumn Term starts on Monday 4th September.

There are still a few spaces available. **For more information about the Pre-School please visit [www.pulboroughvillagepreschool.weebly.com](http://www.pulboroughvillagepreschool.weebly.com)**

## The Fairtrade Mark Matters

**Pulborough Fairtrade group has been campaigning on Fairtrade issues for twelve years!** Initially to help Pulborough gain Fairtrade Village status from the Fairtrade Foundation, achieved for the first time in 2007, this has been renewed every two years since then. So your community continues to show its concern for producers in the developing world and is still a Fairtrade Village, the first in West Sussex.

Despite reports in the national press from some supermarkets, the Fairtrade Mark is still the only way to guarantee producers get a fair price for the goods they grow and a premium to spend on community projects of their choice. They are the ones best placed to know what will most benefit their people. So please continue to look for the Fairtrade Mark when you shop.

Our group will have a stall at Pulborough's Harvest Fair on 23rd September and we can also be found at Pulborough's Village Markets (held in the Village Hall on the fourth Saturday of the month (except August) from 10am to 12.30) where we sponsor a Traidcraft Stall which sells only items carrying the Fairtrade Mark.

The **Pink Gift Fair** takes place over the weekend of Saturday 16th and 17th September at Horsham Council offices, Parkside from 9.30am-4pm each day offering complementary therapies as well as over 50 hand selected stalls. Admission is £3 which includes a strip of raffle tickets. Parkside offers some parking for shoppers at a donation of £1 per vehicle. Every stall donates 10% of takings as well as a raffle prize.

## LOCAL EVENTS

# Pulborough Village Market

**We have an announcement to make with regards to the running of the market,** which is that the Allfrey family, after 3 and a half years of service will be standing down from running the market after the July market, and a new team will be running the market from September onwards, as of course we have our August summer break. The new custodians of our lovely community market and cafe are well known to us and have a vested interest in the success of our lovely community market.

The market will be run by a collaboration between Macmillan led by Terri Ashpool and Louise Kaiser (Anne of Kaiser Smokehouse's daughter). I am delighted to be handing the market over to a team who are involved in the market and know how hard we have worked to try and increase interest, visitor numbers, product ranges and create a real community feel with our market cafe. Also, we stand down knowing that we have managed to move the market from near closure to breakeven to making a profit, and I am really pleased some of the profits will be fed back into our community and such a good cause.

We have really enjoyed our adventure, we have had some laughs and some tears, there has been the odd baking disaster and we have met some good friends along the way. We fully intend to be frequent visitors and supporters of the market on a continuing basis, and may make the odd guest appearance if Terri or Louise have difficulty in attending or getting a team of helpers together. The odd tray of cupcakes may appear every now and again!

I would like to ask you to join me in thanking my incredibly dedicated and hard working team of volunteers who have helped run the market during our tenure and also join me in wishing the new team good luck in their new venture and I encourage you to continue to support the market as you always have done. I look forward to seeing the market continuing to go from strength to strength. **Charlotte Allfrey**
