

## Section 3 - External Auditor Report and Certificate 2024/25

In respect of **Pulborough Parish Council**

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

### 2 External auditor limited assurance opinion 2024/25

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

On the initial submission of Section 2 of the Annual Governance and Accountability Return there was a typographical error contained within Box 7 for the comparative year (figure should have read £361,037 but it read £381,037). This was later corrected, resubmitted, and correctly republished on the council's website, we have no further concerns in this area. When inputting the comparative numbers for the return, care should be taken to ensure this agrees to the prior year's audited return accurately.

As part of our intermediate testing, we requested information showing the review of documents including Financial Regulations, Standing Orders and their Code of Conduct. The council were able to evidence that these documents are regularly reviewed. However, as noted within the council's Code of Conduct, it states that the model code is to be reviewed on an annual basis to ensure that it is fit for purpose therefore the council should look to review this document annually to check for updates, and document this review within their minutes during each financial year.

### 3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
