Project / Activity	Pulborough
Location	MUGA Court
Date from / to	Sept 10 th – Oct 29 th 2020
Prepared by	Sheri Birch

<p>Project Outcomes Refer to these outcomes in your report below. Did we achieve these?</p>	<p>To offer an outdoor safe space for young people in Pulborough. To engage young people in a variety of Covid-19 safe activities. To offer information, advice and sign posting for any young person who may benefit from further support To offer young people an opportunity to engage safely in planned activities with SCYP staff team, where they are available To encourage young people to talk about their experience through Covid-19 and ensure they have on-going support and understand the Government advice and follow it to keep themselves safe</p>
<p>Session Highlights / what went well Attach pictures at the end of the report</p>	<p>We are currently running this as a Purple Bus session, due to Covid-19 we no longer have access to the youth Centre at the school. This has given us some challenges to overcome, however the sessions are now benefitting from an increase in numbers. We ensure that each week we provide arts & crafts which we base on a particular theme each week, the Young People are happy to take part and there are only 2 Males who refuse to engage in this activity, they prefer to do a sports activity. So, whilst we are running arts and crafts, they are usually nearby kicking a football or playing cricket. We have faced some challenges in the sessions, due to different groups of males falling out with each other outside of the Youth Club setting. They have all been happy to explain their side of events and worked alongside the youth workers, to help to try and put their differences aside, especially whilst attending club. Sports activities are a firm favourite with all young people that attend, football seems to be a winner each week, this has also helped in breaking down barriers between groups. One of the advantages of being outside is we have made new contacts, which are attending each week. We have also managed to engage on a regular basis with a male who is known to the local community wardens, this has been a pleasing outcome as he now regularly attends and engages well with youth workers and other members.</p>
<p>Feedback from Young People Attach pictures of any evidence such as</p>	<p>Can you help us get a skate ramp built? Thank you for coming each week. When can we go back inside?</p>

flipcharts at the end of the report	
Issues or concerns Any challenges? What is preventing us meeting the outcomes?	Unfortunately, due to the weather conditions some young people leave early, as they get cold. Numbers have increased but mainly from years 7 & 8.
Future plans A bulleted summary of key programme plans.	Work with community wardens to identify challenging young people and encourage them to engage. Continue to offer Virtual Youth Club 3 times per week.
