# From your Parish Council

## CHAIR REPORT

I'm pleased to be taking over as Chairman of your parish council at a key time in the evolution of our village. Right now, our draft neighbourhood plan has just come back from Horsham District Council where it has been for 8 weeks for a 'health check'. The Neighbourhood Plan Steering Group will now review that feedback and consider any amendments needed. It is anticipated that the draft plan will then be published this autumn for a six week public consultation period. Comments received will be reviewed and any further amendments made. It will then be re-submitted to Horsham District Council, who will undertake a further six week public consultation period. Feedback from that will be reviewed, and any final changes made. A referendum will then be held when you will have the opportunity to vote in favour or against it. If 50% or more of votes are in favour, the neighbourhood plan will be 'made' and become a legal planning consideration document.

This plan, if 'made', will become our shared vision for the development of our community in Pulborough and all the hamlets that make up the parish. It's important for our community that we have this document because it puts us in control of the planning and growth of our village. Central government is demanding that communities build an ever increasing number of houses in the South East of England. Neighbourhood plans cannot oppose development. Our neighbourhood plan will propose controlled growth in sensible areas and will preserve the character of our historic village. Every one of us needs to engage

with the process and support the plan by voting in the referendum. Look out for information soon about arrangements to view and comment on the draft neighbourhood plan!

Parish council work isn't just about the serious side of planning and development. We also have a role to fulfil in providing recreation facilities and amenities in our parish. I'm excited about a fun project which combines exercise and recreation with education and will be launched at the end of July. The Pulborough Giant is coming to town! This WildArt Trail is a guided walk with art and sculpture along the way, and it is supported by an augmented reality app featuring the Pulborough Giant. It starts at the station, goes along Church Place, Old Rectory Lane and the top of Glebe Field, dropping down into Lower Street and then onto the Wild Brooks where it finishes at the RSPB. I believe this project will give Pulborough a significant boost by bringing tourists into the area. It should benefit our traders and shops in Lower Street.

In other news, comment has been made about fly tipping of grass cuttings in Rectory Lane. As the authority responsible for highways and public rights of way, West Sussex County Council has been notified and is dealing with the issue. WSCC asks that all residents remember that garden waste should be placed in 'green' bins or taken to the amenity tip.

I'm taking over as chairman of a council which is well organised and has run your parish smoothly in recent years. It's a tribute to my predecessor, Ray Qusted, and I'd like to thank him for eight years of unstinting service as your Parish Council chairman. Ray is continuing to work on projects which he initiated and is Vice Chairman. Finally, we have vacancies for three parish councillors since the elections in May when three colleagues stood down. It's an exciting time to be a parish councillor. If you feel you would like to contribute and would like to know more about what's involved, please contact [clerk@pulboroughparishcouncil.gov.uk](mailto:clerk@pulboroughparishcouncil.gov.uk). Alternatively, feel free to contact me at [ihare@pulboroughparishcouncil.gov.uk](mailto:ihare@pulboroughparishcouncil.gov.uk)

## PARISH COUNCILLOR VACANCIES

**P**ulborough Parish Council currently has 3 vacancies for Parish Councillors.

Are you interested in or have questions about our local community?

Would you like to serve on the Parish Council

and work to influence the entire Parish including Pulborough, North Heath and Nutbourne as well as working with Horsham District Council and West Sussex County Council to provide a better place to live for all residents? The Co option to fill this vacancy will be considered by Council at a full Council meeting following nominations received.

**For further information or an informal chat please contact the Parish Office on 01798 873532 or email [clerk@pulboroughparishcouncil.gov.uk](mailto:clerk@pulboroughparishcouncil.gov.uk)**

The Parish Council has a regular stand at the monthly village market with councillors available to talk to residents, whether it's to ask a question, find out how to get something done or just a chat. (4th Saturday each month (except August), 9am-12.30pm, Village Hall).

## OVERGROWN VEGETATION ON FOOTPATHS

**T**he Parish Council often receives comments about overgrown vegetation encroaching onto footpaths. The lovely summer weather together with some heavy downpours in between, has brought with it the usual June / July growth of foliage.

It can be very difficult for pedestrians, especially those with pushchairs, wheelchairs or more limited mobility, to use the pavements when ground vegetation, hedges or branches are obstructing their passage. West Sussex County Council is responsible for maintaining land that it owns alongside roads and paths but it is the landowners' responsibility to keep overhanging vegetation from blocking footpaths. There are also responsibilities around controlling or removing certain invasive or noxious plants such as giant hogweed, which mainly grows near riverbanks, ragwort and Japanese knotweed.

May we politely remind residents to check their property frontages and cut back vegetation from their boundary if it's causing a nuisance please? Please remember also that the bird breeding season runs until the end of August, so hedges and trees containing active birds' nests shouldn't be disturbed.

## NEIGHBOURHOOD WATCH (NHW)

**W**ith the ever increasing strain on the resources and priorities placed on Police Forces across the country, the National Neighbourhood Watch Network (NWN) now plays a vital partnership role with Sussex Police, and other Agencies, to ensure the ongoing safety and well-being of our communities and residents.

Members of NHW street schemes play a vital role by being watchful and sharing messages that keep us safe. Sharing information with the Police and your neighbours is a proven way of ensuring potential threats to our way of life are kept to a minimum. The scheme helps with protecting our homes, communities and loved ones; provides information about making our homes and property safe, contact details for helping those with worries about the young and old and for reporting crime or suspicious activity. NHW can also help provide street signs, door and window stickers to inform others of NHW schemes and to deter cold callers.

## Your local school

### ST MARY'S CE (AIDED) PRIMARY SCHOOL

As the school year winds to a close, it is amazing to look back and see what has been accomplished over the year, and this term seems to have been non-stop activity for both children and staff!

As part of our continuing emphasis on a healthy lifestyle, pupils throughout the school took part in 'Sports Week'. This gave them the opportunity to try lots of different sports, including petanque, kurling, tri-golf and wheelchair football. We are very grateful to the Pulborough Lawn Bowls Club for giving the KS2 children the chance to try bowling on their greens

(pictured above); a great time was had by all! Both KS1 and KS2 invited their parents and friends into school for Sports Days, involving games and races, plus a few other sport-related challenges. Well done to Blue team, who triumphed in both KS1 and KS2.

The children in Year 1 and 2 visited Aldingbourne Country Centre, near Chichester, for a splendid day out. This tied in with their topic of 'Farm Animals and how they live' – they visited the farm and learnt about the animals, then went on a Woodland Walk, looking for bugs. Nobody got lost in the Maze and they ended the day with sand and water activities. The slide in the reception area was greatly admired.

As I write, we are eagerly awaiting the arrival of the Big Top for the summer performance. This year's presentation is

'Peter Pan – the British Musical', adapted from the well-known book by J.M. Barrie by Piers Chater Robinson. The children are working really hard on learning their lines and the band is practising. It is always a highlight of the year and a fantastic end of year occasion for our Year 6 children, which is followed by the Leavers' Ball. As we are a church school, the Year 6 children went to Worth Abbey for the Diocesan Leavers' service and then held their own service at St Mary's Church. We hope all our leavers take happy memories of their time at St Mary's with them and we wish them continuing success as they move on to other schools.

If you are new to the area, or are still undecided as to which school would be best for your child, please do not hesitate to arrange a visit.

## PULBOROUGH SOCIETY

The Pulborough Society was founded in 1973 and has played a part in village life by hosting meetings on a variety of interesting local and more general subjects. The Society also takes an active interest in local developments and submits comments, often in conjunction with the Parish Council.

Another aspect of the Society's activity is its ongoing concern for local history – thus in its Jubilee year of 1998 a series of books was produced describing many aspects of life in Pulborough through the centuries.

The Society has now decided to update these books (copies of which are still available through the website [www.pulboroughsociety.org](http://www.pulboroughsociety.org)), and members of the Society are contributing to the updating and editing with a view to publishing more comprehensive editions. This effort is being led by Vice-Chairman Martin Ellis and he would be very pleased to hear from anyone who has information, photos or other memories of Pulborough that might be incorporated in the new versions.

The next meeting of the Society is on Wednesday 11th September at 7.30pm in the Village Hall when the subject will be 'Weather Lore – Fact or Fiction'. All are welcome and the visitor's fee is £2.

# STAY SAFE THIS SUMMER

Protecting your home or business from fire and electrical risks is important whatever the time of year. But during the warmer months there can be added dangers, such as electrical fires caused by faulty air conditioning units, or power surges from summer storms.

Here at Allsaved, we offer a full range of fire safety and electrical services to ensure maximum protection for you and your property. We supply and service residential fire extinguishers at highly competitive rates.

As a local company, we're proud to support our community, sponsoring women's cricket, children's football and point-to-point racing in West Chiltington and surrounding villages.

We hope we can support you too. Stay safe - contact your local, trusted experts today for a free home fire safety check.

## PULBOROUGH TEA SPOT CARING CAFÉ

The Pulborough Tea Spot Caring Café meets on the first Thursday of each month from 10am to 12 noon at Pulborough United Reformed Church on Lower Street. Well into its third year Keith Russell tells us

a bit more about the benefits it brings to the local community.

'We welcome carers, those they care for and anyone needing company and we are dementia friendly. The surroundings are welcoming, accessible, bright and airy and offer a safe environment.

We aim to vary the activities on offer: apart from puzzles, board games, and picture books, we have musical interludes and (thanks to our Parish Council Wardens) we have had visits from Horsham District Council's Virtual Reality Team. However, the most important part of the morning is the human contact, interaction and conversation. For carers and those who are a bit lonely, we aim to give support and company and try to help put things into perspective. For those cared for, we offer stimulation, help to delve into the past and bring out memories but above all, enjoyment. We aim to have fun and pack in as many laughs as possible.

We feel it a great privilege to be able to offer that important listening ear to those who need it. We have a good number of willing helpers, so we can provide an almost one to one service of love and care. One of our regular visitors says, "The cafe has given me a lifeline with friendly, caring support, laughs, coffee and cake. It was great to be able to share concerns, while my partner was given attention elsewhere in the room. As a non-believer, I was a little wary to begin with because of the church association, but immediately found that this was irrelevant. The volunteers offer unconditional support and I continue to return and be welcomed after losing my partner."

If you think we can help you, do come along – you will be most welcome.'

## PULBOROUGH WARDENS

Hello to everyone and here's to the warm weather – at last! We've been very busy behind the scenes these past couple of months supporting residents within the parish. We've made home visits, made phone calls, made referrals and have been doing a lot of organising for the coming months! There's been a lot of engagement within the community with young and older residents alike and of course those most vulnerable. We've been trying to get our step count up and have been doing a lot of foot patrols in this lovely weather. If anyone fancies trekking around the village then please let us know as we know all the lovely routes to take.

Behind the scenes we've been working with a company to try and get a pump track (bike track) into the village for the summer holidays. We've managed to secure some funding to host a track for a week in August. If it's successful and well received then we'll look at what we can do to have it more often. We've also secured the Shoretrax bike track to come back to the recreation ground in August. This is always hugely successful so we'd always welcome anyone wishing to offer their time to help with a long-term plan

to get something more permanent. There will be further sports sessions on the main recreation ground for the 21st and 28th August to include football and dodgeball and alongside the Shoretrax earlier in August, that's every Wednesday covered in August. If there's a sport you'd like to see in particular in the village then please let us know and we'll see what we can do.

Our colleagues in Storrington have unfortunately had to undertake an emergency rescue of a dog left in a hot car in the middle of the day. They managed to save the dog and get it to the local vet but this is a reminder to never leave your pet in a car in the heat – not even for a minute. Advice from the RSPCA is to take your dog with you when you leave your car or leave it at home. Even if it's only 22° outside, it will quickly reach 47° inside the car within an hour. Call 999 if you see a dog in distress in a hot car which is locked up.

Have a great summer and don't forget **our usual contact details are 07584 337475/6 or email us on Pulborough. wardens@horsham.gov.uk Follow us on twitter @horshamwardens #Pulborough**

That's all for now! Vanessa and Carol
