55. DECLARATIONS OF INTEREST & CHANGES TO REGISTER OF INTERESTS

There were no changes to the Register of Interests.

There were no public speakers.

57. MINUTES

The Committee **RESOLVED** to approve the Minutes of the Meetings held on 5th August 2021 as a true and accurate record of the proceedings and the Chairman signed the minutes.

Clerk's report

The Clerk reported on an urgent matter that had arisen in the previous few days which would affect planning applications, development and potentially the Pulborough Neighbourhood Plan. Horsham DC had emailed with details of a position statement issued by Natural England relating to water abstraction and its environmental impacts. HDC had taken legal advice and subsequently taken the decision to pause its Planning North and Planning South committee meetings whilst the matter is assessed. The Clerk reported that this communication had been too late to include on this meeting agenda but would be added to the forthcoming full Council meeting papers so that all councillors would receive the details.

58. PLANNING APPLICATIONS

The Committee, having considered the planning applications, **RESOLVED** that its representations be forwarded to HDC, attached to these Minutes as Appendix 1.

It was noted that as Pulborough Parish Council is the applicant for planning application DC/21/1369, and therefore the Council has an interest, the Council would not be commenting on that application.

59. **PLANNING APPLICATIONS DECISIONS**

Members received details of planning decisions and enforcements since the last meeting.

60. **CHRISTMAS TREES ALONG LOWER STREET**

Members considered the quotation of £3,500.00 (ex VAT) from Festive Illuminations for the Christmas trees in Lower Street. It was noted that this was £100 over the budgeted amount. It was **RESOLVED** to recommend to full Council to accept the quotation and proceed as usual, the amount being over the financial threshold of the Committee delegated authority spending.

The Clerk confirmed that Festive Lighting public liability insurance covered the electrical connections and all aspects of the installations. The Clerk was asked to clarify with Festive Lighting that the electrical plug connections in participating premises comply with appropriate standards.

61. **MILLENNIUM CLOCK ON LOWER ST, PULBOROUGH**

Cllr Hunt reported that she had followed up with County Cllr Charlotte Kenyon several times regarding the possibility of borrowing a suitable vehicle from WSCC. Cllr Kenyon had advised that she would respond as soon as possible. It was **AGREED** to defer this item to a future meeting.

62. **A29 AREA BETWEEN CHURCH HILL AND SWAN BRIDGE**

Members considered the responses received to the Council's letter, from Cllr Joy Dennis, WSCC Cabinet Member for Highways & Transport and from the Police & Crime Commissioner's Office (copied to C'tee). The P&CC office had advised that it was not in the remit of the police as a transport/highways matter.

It was noted that Cllr Dennis had offered to visit the area concerned. Following considerable discussion of the content of the WSCC response, it was **RESOLVED** to approve delegated authority for Cllr Kipp to compose an email making enquiries with Coldwaltham PC as to any traffic issues and impacts experienced there. In the interim, the Clerk would acknowledge Cllr Dennis to advise that we would be in touch again in due course.

Construction of an irrigation storage reservoir using existing soil through “cut and fill”.

Objection, and the Council requests that this application is taken to HDC Committee for decision: The Parish Council recommends that:

- The site should be subject to an archaeological site investigation, noting that the applicant has already commenced work on site;
- An ecological survey should be carried out;
- If planning application is approved by HDC, should the applicant wish to abstract a higher level than 20 cubic metres/day a licence should be obtained.

- The original planning application condition to provide a safe and fully accessible footpath has not been complied with;
